9	Dr Sally Tannous	Foundation Doctor Year 2	Medical Education Centre, Glangwili Hospital.	Urology Patient.	15.04.2026	M&S Gift Voucher	£100	Y – but then sought advice from Medical Education Manager.	Grace Aldrich, Medical Education Manager	No	22.04.2026	(Manager comment:) Foundation Year 2 Doctor treated a patient in Urology. When discharged. the patient left an envelope addressed to the doctor at the ward desk containing an M&S voucher for £100. The doctor was unsure if she could accept and advice was sought from the Standards of Behaviour Team. Under the Standards of Behaviour policy staff cannot accept gifts over £25 in value. However, as the voucher had been given, it was possible to use it to purchase a number of items from M&S to share between the doctor and other members of her team, as long as each item was no more than £25 in value. This has been done.	01.07.2026
