AUDIT & RISK ASSURANCE COMMITTEE

1. Constitution

- 1.1 The Audit Committee has been established as a Committee of the Hywel Dda University Health Board (HDdUHB) and constituted from 1 October 2009. The Committee is an independent Committee of the Board and has no executive powers, other than those specifically delegated in these Terms of Reference. On 1 June 2015, the Committee took on an enhanced role and was re-named the Audit and Risk Assurance Committee (the Committee).

2. Purpose

- 2.1 The purpose of the Audit and Risk Assurance Committee is to advise and assure the Board and the Accountable Officer on whether effective arrangements are in place, through the design and operation of the UHB's system of assurance, to support them in their decision taking and in discharging their accountabilities for securing the achievement of the UHB's objectives, in accordance with the standards of good governance determined for the NHS in Wales.
- 2.2 The Committee independently monitors, reviews and reports to the Board on the processes of governance, and where appropriate, facilitates and supports, through its independence, the attainment of effective processes.
- 2.3 Where appropriate, the Committee will advise the Board and the Accountable Officer on where, and how, its system of assurance may be strengthened and developed further.
- 2.4 The Committee's principal duties encompass the following:
- 2.4.1 Review the establishment and maintenance of an effective system of good governance, risk management and internal control across the whole of the organisation's activities, both clinical and non-clinical.
 - 2.4.2 Seek assurance that the systems for financial reporting to Board, including those of budgetary control, are effective, and that financial systems processes and controls are operating.
 - 2.4.3 Work with the Quality, Safety and Experience Committee, the People Organisational Development and Culture Committee, Strategic Development and Operational Delivery Committee and Sustainable Resources Committee to ensure that governance and risks are part of an embedded assurance framework that is 'fit for purpose'.

- 2.4.4 Receive an assurance on delivery against relevant Planning Objectives aligned to the Committee accordance with Board approved timescales, as set out in HDdUHB's Annual Plan.

3. Key Responsibilities

The Audit and Risk Assurance Committee shall provide advice, assurance and support to the Board in ensuring the provision of high quality, safe healthcare for its citizens, as follows:

Governance, Risk Management and Internal Control

- 3.1 The Committee shall review the adequacy of the UHB's strategic governance and assurance arrangements and processes for the maintenance of an effective system of good governance, risk management and internal control, across the whole of the organisation's activities (both clinical and non-clinical) that supports the achievement of the organisation's objectives.
- 3.2 In particular, the Committee will review the adequacy of:
- 3.2.1 all risk and control related disclosure statements (in particular the Accountability Report and the Performance Report), together with any accompanying Head of Internal Audit statement, external audit opinion or other appropriate independent assurances, prior to endorsement by the Board;
 - 3.2.2 the underlying assurance processes that indicate the degree of the achievement of strategic and planning objectives, the effectiveness of the management of principal risks and the appropriateness of the above disclosure statements;
 - 3.2.3 the policies for ensuring compliance with relevant regulatory, legal and code of conduct and accountability requirements; and
 - 3.2.4 the policies and procedures for all work related to fraud and corruption as set out in Welsh Government Directions and as required by the Counter Fraud and Security Management Service.
- 3.3 In carrying out this work, the Committee will primarily utilise the work of Internal Audit, Clinical Audit, External Audit and other assurance functions, but will not be limited to these audit functions. It will also seek reports and assurances from directors and managers as appropriate, concentrating on the overarching systems of good governance, risk management and internal control, together with indicators of their effectiveness.
- 3.4 This will be evidenced through the Committee's use of an effective assurance framework to guide its work and that of the audit and assurance functions that report to it.

- 3.5 The Committee will seek assurance that effective systems are in place to manage risk, that the organisation has an effective framework of internal controls to address principal risks (those likely to directly impact on achieving strategic objectives), and that the effectiveness of that framework is regularly reviewed.
- 3.6 Monitor the assurance environment and challenge the build-up of assurance on the management of key risks across the year, and ensure that the Internal Audit plan is based on providing assurance that controls are in place and can be relied upon (particularly where there is a significant shift between the inherent and residual risk profile), and review the internal audit plan in year as the risk profile changes.
- 3.7 Seek assurance on delivery against Planning Objectives aligned to the Committee, considering and scrutinising the frameworks, charts/charters and action plans that are developed, supporting and endorsing these as appropriate.
- 3.8 Consider and recommend to the Board approval of any changes to the Risk Management Framework and oversee development of the Board Assurance Framework.
- 3.9 Provide assurance with regard to the systems and processes in place for clinical audit, and consider recommendations from the Effective Clinical Practice Working Group on suggested areas of activity for review by internal audit.
- 3.10 The Committee will be responsible for reviewing the UHB's Standing Orders and Standing Financial Instructions and Scheme of Delegation annually, (including associated framework documents as appropriate), monitoring compliance, and reporting any proposed changes to the Board for consideration and approval.
- 3.11 To receive annually a full report of all offers of gifts, hospitality, sponsorship and honoraria recorded by the UHB and report to the Board the adequacy of these arrangements.
- 3.12 To review and report to the Board annually the arrangements for declaring, registering, and handling interests.
- 3.13 Approve the writing-off of losses or the making of special payments within delegated limits.
- 3.14 Receive an assurance on Post Payment Verification Audits through bi-annual reporting to the Committee.
- 3.15 Receive a report on all Single Tender Actions and extensions of contracts.

Internal Audit and Capital/PFI

- 3.16 The Committee shall ensure that there is an effective internal audit and capital/PFI function established by management that meets mandatory Internal Audit

Standards for NHS Wales and provides appropriate independent assurance to the Committee, Chief Executive and Board.

- 3.17 This will be achieved by:
- 3.17.1 review and approval of the Internal Audit Strategy, Charter, operational plan and more detailed programme of work, ensuring that this is consistent with the audit needs of the organisation;
 - 3.17.2 review of the adequacy of executive and management responses to issues identified by audit, inspection and other assurance activity, in accordance with the Charter;
 - 3.17.3 Regular consideration of the major findings of internal audit work (and management's response), and ensure co-ordination between the Internal and External Auditors to optimise audit resources;
 - 3.17.4 ensuring that the Internal Audit function is adequately resourced and has appropriate standing within the organisation; and
 - 3.17.5 annual review of the effectiveness of internal audit.

External Audit

- 3.18 The Committee shall review the work and findings of the External Auditor and consider the implications and management's responses to their work. This will be achieved by:
- 3.18.1 discussion and agreement with the External Auditor, before the audit commences, of the nature and scope of the audit as set out in the Annual Plan, and ensure coordination, as appropriate, with other External Auditors and inspection bodies in the local health economy;
 - 3.18.2 discussion with the External Auditors of their local evaluation of audit risks and assessment of the Local Health Boards/NHS Trusts and associated impact on the audit fee;
 - 3.18.3 review all External Audit reports, including agreement of the Annual Audit Report and Structured Assessment before submission to the Board, and any work carried outside the annual audit plan, together with the appropriateness of management responses; and
 - 3.18.4 review progress against the recommendations of the annual Structured Assessment.

Other Assurance Functions

- 3.19 The Committee shall review the findings of other significant assurance functions, both internal and external to the organisation, and consider the implications on the governance of the organisation.
- 3.20 The Committee's programme of work will be designed to provide assurance that the work carried out by the whole range of external review bodies is brought to the attention of the Board. This will ensure that the Health Board is aware of the need to comply with related standards and recommendations of these review bodies and the risks of failing to comply. These will include, but will not be limited to, any

reviews by Inspectors and other bodies (e.g. Healthcare Inspectorate Wales, Welsh Risk Pool, etc), professional bodies with responsibility for the performance of staff or functions (e.g. Royal Colleges, accreditation bodies, etc).

- 3.21 The Audit and Risk Assurance Committee and the Quality, Safety and Experience Committee both have a role in seeking and providing assurance on Clinical Audit in the organisation. The Audit and Risk Assurance Committee will seek assurance on the overall plan, its fitness for purpose and its delivery. The Quality, Safety and Experience Committee will seek more detail on the clinical outcomes and improvements made as a result of clinical audit. The internal audit function will also have a role in providing assurance on the Annual Clinical Audit Plan.
- 3.22 The Audit and Risk Assurance Committee will also seek assurances where a significant activity is shared with another organisation and collaboratives, in particular the NHS Wales Shared Services Partnership, Welsh Health Specialised Services Committee, Emergency Ambulance Services Committee and other regional committees. The Audit and Risk Assurance Committee will expect to receive assurances from internal audit performed at these organisations that risks in the services provided to them are adequately managed and mitigated with appropriate controls.

Management

- 3.23 The Committee shall request and review reports and positive assurances from directors and managers on the overall arrangements for governance, risk management and internal control.
- 3.24 The Committee may also request specific reports from individual functions within the organisation (e.g. clinical audit), as they may be appropriate to the overall arrangements.
