

Latest Performance against Key Delivery Areas

Target not Delivered
Within 5% of target *
Target Delivered
NA = Not Available

* For measures where there is a reduction or improvement target, these will be scored red or green, except when Performance remains static. This also applies to measures with a small percentage target (10% and under), e.g. Sickness/absence, smoking cessation. For measures where the target is 0, these will only be scored red or green. Green for 0, red for anything above.

HDUHB Performance Against Key Delivery Areas
